Target Group, Focus and Publisher

Brauerei Forum is a trade magazine for professionals in the brewing, malting, beverage and distilling industries. The majority of our readers have a brewery-related qualification, work in middle to upper management and are usually responsible for investment and/or purchasing decisions.

In addition to our regular subscribers, our magazine is also sent to all members of the publisher, the Versuchs- und Lehranstalt für Brauerei in Berlin (VLB) (Research and Teaching Institute for Brewing in Berlin). Nationally and internationally known as a research institute and service provider for the brewing and beverage industry, the VLB also stands for the high quality of the articles in its journal.

In 2025, the 40th volume of Brauerei Forum will be published, continuing the publishing activities of the VLB, which began in 1883 with the publication of "Wochenschrift für Brauerei", "Tageszeitung für Brauerei" and "Brauer- und Mälzer-Lehrling". Since 2003, the journal offers six times a year special pages ("IfGB aktuell") for the distilling industry.

Brauerei Forum is characterized by a high proportion of self-produced or commissioned articles (over 60 %). As a result, Brauerei Forum has an excellent reputation as a competent and compact trade journal for the brewing industry. It reaches readers in 28 countries on all continents. To meet the growing internationalization of the industry, two issues per year are published in English.

Brauerei Forum is also published online at www.brauerei-forum.de and on the platform www.issuu.com.
